

CHRIS KEEFER

INTRODUCTION

Chris Keefer is the principal of KEEFER Strategy, a Preventive Law practice in Portland, Oregon. Chris has helped businesses and manufacturers around the world implement preventive legal strategies, including proactive contract development, insurance and litigation management, compliance, governance and due diligence.

His unique expertise gives him the ability to address business and legal challenges from a variety of angles. He has a passion for helping people learn what they don't know by looking around corners to be proactive in the way they approach legal risks.
